Talking on the Phone

Pretend you've told your friend to meet you at a cafe across the street from the park. They swear they've arrived, but they can't find you! They call you to ask for help. Using the map, write your responses to your friend's questions.

-  You
-  Your Friend
-  City Park
-  Bookstore
-  Northside Park
-  Eastside Park

Friend: "Hey! I'm at the cafe across the street from the park, but I don't see you."

Friend: Oh! I'm at the wrong place. Can you tell me how to get to the right cafe?

Friend: I see another park, but this building says it's a bookstore. I think I took a wrong turn...

Friend: Okay, now I see park with a pond. Is this the right place?
