

Maria's Family

Reading

Maria is 33 years old. She lives with her husband, David, in Iowa City, but they are from Cuba. They have three children. Their names are George, Leon, and Angelica. They live next to a Hy-Vee and a Casey's.

Maria is a Spanish teacher at a local high school. David is a doctor at the University of Iowa hospital. They work every weekday from 8 a.m. to 4 p.m. After work, Maria always cooks dinner and David plays games with their kids. Maria's family eats at their kitchen table together every night. After dinner, they watch the news on their TV.

True or False

1. _____ Maria and David have three children.
2. _____ Maria's family is from Mexico.
3. _____ David is a teacher.
4. _____ Maria works seven hours every weekday.

Share Your Opinion (Yes or No)
