

# Jorge Goes to the Hospital

## Reading and Comprehension Check

Jorge lives in Iowa City. One morning, he feels very sick. His stomach hurts a lot. He stays in bed, but the pain does not go away. He decides to go to the hospital. He takes the bus to the University of Iowa Hospital.

Jorge checks in at the reception. He sits in the waiting area. After some time, a nurse takes him to a small room. The nurse checks his temperature and asks some questions.

Later, the doctor comes. The doctor listens carefully. He checks Jorge's stomach. Then, the doctor gives Jorge some medicine and instructions to help him feel better.

Jorge goes home. He takes his medicine, drinks water, and rests. After three days, he feels much better. He is happy he went to the hospital.
