# Morning Routine

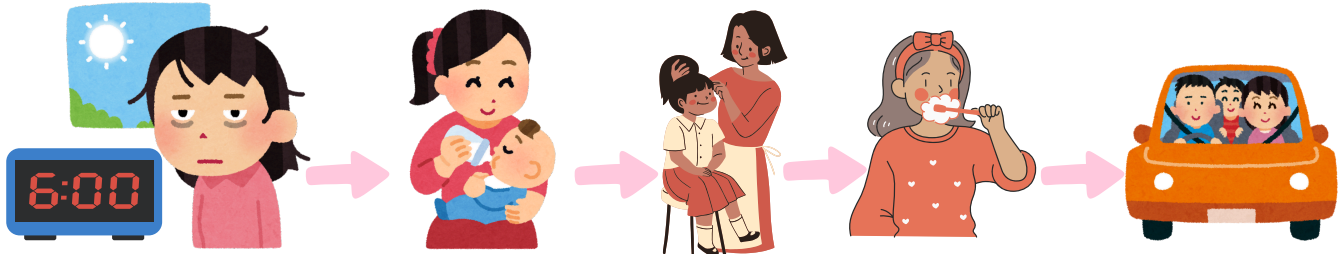

Use the story prompt to inspire your story. Write about your morning routine with your kids.

Every morning, I wake up at 6 AM and feed my baby. Then, I bathe him and change his diaper. I get him dressed and put him in his pack N' play with some toys.

Next, at 7 AM, I wake my daughter up so she can eat breakfast before school. After she is done eating, I help her pick out clothes and make sure she brushes her teeth.

Next, I get dressed and brush my teeth. Before we leave for the day, we sing a song together while I feed the baby one last time.

Then, we get in the car and I drive my daughter to school. Lastly, I take my baby to daycare before I go to work at 8 AM.
