

Conversation cards - Interview Practice

Intermediate

Describe your ideal work environment?
What does it include and not include?

Have you had experience with this company before?

Do you prefer to work in a team setting or individually?

Where can you go to get professional clothes and shoes?

Do you prefer to dress in business casual or business professional attire?

Can you identify a few ways to prepare for an interview?

What are some mannerisms you should remember for an interview?

Would you rather do the same thing everyday for work or something different?
