You want to sign your child up for swimming lessons. He has no experience and you want him to start at Level 1 on Thursdays at 4 pm.

## Worker:

Hello! Welcome to Robert A. Lee Rec Center, how can I help you?

That's great! Does your son have any experience with swimming?

That's okay, we can start him at Level 1. Do you have a preference of what time and day?

Absolutely, we have those days available. We will see you next week!
